We are Importers and Distributors of high-grade European and American Wines and Whiskies. THE SWEDEN-AMERICAN CO. IS INDEPENDENT OF ANY TRUST. WE MAKE THESE OFFERS. No other importers can make such splendid, gen-

erous offers. The trusts cannot compel us to sell at their prices. We buy in large quantities. In dealing with us, you do not pay profits to middlemen. We sell first-class goods less than half what you pay elsewhere. We have determined to introduce our products to the American public, and are willing to give you the benefit of our fcresight and advertising methods. We simply want to prove the worth of our goods and to make a steady customer of you. Your trial order will do more to prove the value of our goods than all the advertising or letter writing we could do.

As to our reliability, go to your banker, and have him look us up in Dun or RELIABILITY. Bradstreet Mercantile Agencies, and he will tell you of our high standing, or have your Express Agent write any Express Agent in Cincinnati, and see how well we stand. You can be assured that we will do exactly as we say, and that you will receive the best of treatment at our hands.

Below we reproduce testimonials from a few of our steady customers. We have hundreds more, but selected these because they were from men who are known all over this country. Our goods please them. Don't you think they are worth a trial

Ciff Gordon, the "German Senator," the actor manager who has made the world laugh, says: "Have never had better liquors or at better prices. I carry them every-where with me."

Bobby North, one of the stars of the "Follies of 1910," says: "I don't believe I ever had such good whiskey as your private stock. How can you sell it for the price?

Al. H. Woods, one of America's most famous theatrical managers. says. "Enter my standing order for one gallon of whiskey and one of Swedish Punch each month I propose to be a steady customer."

You will note that we have listed a number of standard wines and liquors in our order blank. They are, one and all, liquors that are fit to grace the sideboard of any home in America. We want to call your especial attention to our famous "SWEDISH PUNCH." This is one of the best holiday liquors that has appeared in years. It is made from a recipe that has been handed down from generation to generation by the Royal Family of Sweden, and is now, for the first time, put upon the American market. Too much cannot be said for it.

THREE RULES FOR GOLF.

Important Practical Suggestions For first appearance in the Intercollegiate, Amateurs.

A prominent golfer once said that there that the injunction to "Be stuck on yourmake any man a fairly average player, stubbed shot of the simplest kind, caused ome man his chances of coming through. The second rule is generally conceded, but it is not fully reckoned with by our amateur. I once followed the team match between English and Scotch professionals at Hoylake. In following, I was particularly impressed with the fact that while these men drove clean, straight alis, they seldom made the phenomenal drives I had seen Blackwell, Scott or some of the other amateurs achieve; and yet, upon several occasions, the profesthe mood to be confidential, and I learned that this was their principle; "When you go up to the tee start the hole right. You'll always find trouble enough, without inviting it. Put the

ball down the middle a couple of hundred yards; then you know what kind of a shot you have. If you get 2:0 yards you're nearer the hole than usual, and you don't know so much about the shot. Besides, if you press, your ba say run just a bit into the long, and or thirty yards greater dista is too expensive. But when you h right, it's all clear sailing. long second or third shots, yet an take a bigger chance. The trap, or sunker, is only five or six yards. Now, if you're 200 yards off, and it's going to save a stroke to carry it, it may be worth while, than if you played short, anyway."

If you get the ball just right, you'll clear it, and if you don't get it clean the chances are that you'll not get far enough to be in it, and will be no worse off tion about the short putts, and the hole ed by a bit of simple mathematics. looks large to him from any place upon straight over the cup without so much as line 3,864 miles long. Mrs. A. J. Johnson Fulfills Threat to End All.

PUT TO BED INTOXICATED

Police Helped Husband Carry Her to Her Room.

SHE DRINKS CARBOLIC ACID

Husband Finds Her Unconscious

When He Starts to Put Children to Sleep.

o'clock last night to put his three small children to bed.

He detected the strong odor of carbolic acid coming from the sleeping apartment of their mother, Florence. Rushing into the rooms, he discovered she had carried out therats to "end all."

Mr. Johnson had reached the home a short time before. According to the husband's story to the police, he found his wife under the influence of liquor. He sought the aid of the police to carry her to her bedroom, oon the second floor. Policemen Scott and Clark of the fifth precinct carried out the request.

#### Finds Wife Unconscious.

Shortly after the police had left the children. He grasped the little hands and led the procession to the upper floor. The odor of carbolic acid startled him as he neared the door leading to his wife's room. Hurrying to her side, he saw that something was wrong. He ran downstairs and out into the street to call

When the two bluecoats returned they ound Mrs. Johnson unconscious., A bottle which had contained a quantity of the acid was lying near the bed. The woman's lips and one side of her face

made a brief examination and pronounced

the woman dead. He declared that death had preceded him fifteen minutes and that probably Mrs. Johnson was dead even before the ambulance was called.

#### Jury Delays Verdict.
